TO WHOM IT MAY CONCERN

Certified that the building named Shri Santoshi Maa Academy (Kolkata) at Kalagachia, Khalpar, Dist - South 24 Parganas, West Bengal, Kolkata - 700063, has constructed a G+III school building.

As per inspection and available design drawing my opinion that the building is structurally safe and sound in all respect.

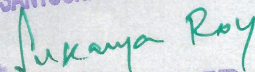

The building is constructed as per the building safety rule and it is safe for running school.
